YOUR WATER. YOUR FUTURE.

Winter Water Hacks

When the temperatures cool down, cut back on outdoor watering. Try these hacks to be water-wise both indoors and outdoors this winter.

Turn sprinklers off during and after rain showers.

Only water landscape on Tuesdays and Saturdays before 9 a.m. or after 4 p.m.

Install a weather-based irrigation controller. Rebates are available for controllers and other water efficient devices at socalwatersmart.com.

Wear bulky, winter clothing more than once before washing.

Rock and save with one-song showers. Need a playlist for your one-song showers? Follow @lbwater on social media to see "Mervyn's Music Mondays" playlist.

Save the Date:

7th Annual Lawn-to-Garden Tour & Festival

Saturday, May 19, 2018

Tour: 9 a.m. - 1 p.m.

(self-guided throughout the City)

Festival: 11 a.m. - 2 p.m.

(1800 E Wardlow Road)

Our free, annual tour will showcase 29 beautiful, water-wise landscapes throughout the city. Attendees will be able to talk with the homeowners about best practices and lessons learned during their Lawn-to-Garden transformations.

A family-friendly festival and sustainability fair will take place at the Long Beach Water Department (1800 E Wardlow Road). Play games, enjoy lunch and listen to live music after your tour of outstanding California-friendly landscapes.

Don't forget to register to receive a map of the tour homes at lblawntogarden.com!

Don't see your favorite Long Beach eatery? Mention our program to the owner or manager! You can also submit your nominations by visiting lbwater.org/blue. Stop by the Water Department (1800 E Wardlow Rd.) for a **free coupon card** to select Certified Blue Restaurants!

Grades of Green's Water Conservation Challenge Is Saving Water in Schools

Long Beach Water is excited to bring Grades of Green to our LB schools to help students conserve water. The Grades of Green Water Conservation Challenge will run January through March and helps students and families develop and instill lifelong water use efficiency values and habits. Follow @gradesofgreen on Instagram to see all the diverse water hacks students create for their schools or go to gradesofgreen.org.

Good luck to our 11 participating Long Beach schools:

- Westerly School of Long Beach
- Intellectual Virtues Academy
- Maple Village Waldorf School
- Cesar Chavez Elementary
- Bancroft Middle School
- School of Social Justice
- Hughes Middle School
- St. Athanasius School
- St. Barnabas School
- Henry Elementary
- St. Maria Goretti
